

# ANNUAL REPORT 2016

#### letter from the chairman of the board and president + ceo

The Houston Arts Alliance marked our 10th anniversary in fiscal year 2016 and built on our commitment to better serve both individual artists and organizations. We invested in organizations through our resident incubator, capacity building, and grants programs. We initiated the process of realizing and debuting two new, monumental public artworks at the George R. Brown Convention Center.

An important part of HAA's grantmaking and service to the field is our Capacity Building Initiative (CBI), a program working to strengthen the management capabilities of arts and cultural organizations so they may grow, thrive, and deploy their resources effectively and responsibly, thereby ensuring their long-term viability. In 2016, the CBI worked with organizations of diverse artistic disciplines and at all stages of development, from startups to mature institutions. It offered funding, workshops, assessments, and training on topics ranging from budgeting to board governance, fund development, strategic planning, accounting, administrative systems, and more. These organizations and their accompanying grants are listed toward the back of this report. While the CBI program is largely HOT-funded, we extend our heartfelt thanks to the donors of our annual gala, An Intimate Evening With Sinatra's Iconic Music, because the proceeds support this program.

Philamena Baird

Jonathon Glus

The beautiful photos that you see throughout this report are examples of public art throughout the city and at William P. Hobby Airport, where a new international terminal was completed in 2016. In addition to Hobby Airport, our Civic Art + Design program installed art at Buffalo Bayou Park Cistern, the Bagby Underpass in downtown Houston, and at the BARC animal shelter. Other photos come from the Folklife + Traditional Arts program's sixth iteration of the ever-popular Voices of the Spirit concert, in collaboration with Asia Society Texas Center. We also recognized the expanded scope of the Folklife program over the last four years by adding Civic Engagement to its official department title.

We thank our many colleagues and friends for making this year such a success. But most of all we thank the City of Houston for its continued confidence in HAA as good stewards of the HOT funding that supports Houston's arts and culture community. We would be remiss not to thank our private funders: our Board of Directors, the Houston Endowment, Brown Foundation, Morgan Foundation, the Texas Commission on the Arts, the National Endowment for the Arts, and the Bank of America.

Philamena Baird Chairman of the Board Jonathon Glus President + CEO

#### To the Board of Directors of Houston Arts Alliance

We have audited the accompanying financial statements of Houston Arts Alliance, which comprise the statements of financial position as of June 30, 2016 and 2015 and the related statements of activities, of functional expenses, and of cash flows for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform our audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Houston Arts Alliance as of June 30, 2016 and 2015 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplementary information in the supplemental schedule of grants to organizations and individuals for the year ended June 30, 2015 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
